

# Webinar Invitation

## New energy labelling regulation on tumble dryers: Become familiar with the new requirements A webinar for tumble dryer dealers

A new energy labelling regulation for tumble dryers will apply in 2025, resulting in the need to replace the current energy labels on products by new ones. Moreover, the content of label and product information sheet will change. What exactly are the changes? When will you have to take action?

We invite you to the upcoming webinar to learn more and to ask for more details!
